*This award is presented to one or more whistlers who have a history of achievement in the art of whistling with long-range efforts and success in promotion and production of performances, and materials to support the arts, such as recordings, appearances in concert halls, coverage by the media and awards as a performer that may be whistling or associated with whistling. In addition such a person must have a history of respect from other whistlers and a public life example of honor that does not discredit the arts.*

*This award is the highest award currently presented to a living or deceased whistler. It is given only once to an individual, but more than one individual may be awarded in the same year. Please compose your knowledge of the history of such a person on separate pages. Photos or any documentary material may be included. The Arts Council requests that if at all possible a photograph suitable for reproduction be submitted with the nomination form. (The nominee could be deceased.)*

Requests for more information may be made by the Franklin County Arts Council, email [artsfcac@nc.rr.com](mailto:artsfcac@nc.rr.com) or phone/fax 919 496-1191.
